

FINISHES CATALOG

The background of the entire page is a complex, abstract geometric composition. It features a variety of overlapping shapes, including circles, triangles, and irregular polygons. The color palette is rich and earthy, dominated by warm tones like orange, brown, and yellow, interspersed with cooler tones such as green, blue, and grey. The overall effect is a textured, layered visual that suggests depth and movement.

NOTES

1. The specifications for the fabrics denote their Fire Retardant (FR) and Water Repellent (WR) properties.
2. All the upholstery items can be submitted to several fabric treatments after the production of the goods, such as Fire Retardant, Easy Clean, Anti-stain, or Water Repellent. These treatments are made under request, and they have costs associated.
3. Please note that colors displayed on computer screens may not be entirely accurate. Use them as a reference only.
4. Some fabrics may not be depicted to scale. Please use the images as a reference only.
